7. Complete the interactive form and print the Eagle Information Form. At the bottom of the form, indicate that you want to send the Verified Eagle Application to: Dennis Walker, [djwalker@mchsi.com](mailto:djwalker@mchsi.com), 319-393-4940. After printing and validating all of the information, have the Eagle candidate sign and date near the top of the form. The description of the Eagle project on this form will be used for the Troop's website.
8. Prior to the Troop and District Board of Review (BOR) write 2 reports:
  - Under each title, include your name, Troop 766, Red Cedar District and Hawkeye Area Council.
  - Prepare a typed, one-page summary of your Eagle Scout Project including what was the project, when was it conducted, how many service hours were performed in the completion of the project, who received the benefit of the project, the location of the project and which groups of people helped (e.g.; Troop 766, church group, family, etc.).     - ii. College goals and ambitions (college choices, area of study, extracurricular, grades, etc.)
    - iii. Job and family goals and ambitions
9. While the Eagle Information Form is being processed by Susan Cunningham, send your reference letters:
  - Use the following reference letter form [http://www.hawkeyebsa.org/pdf/Eagle\\_Scout\\_Ref\\_Letter.pdf](http://www.hawkeyebsa.org/pdf/Eagle_Scout_Ref_Letter.pdf) to submit reference letters to six people:

  - Personalize the reference letter by adding today's date, the person's name, a due date of a week from today's date and the Scoutmaster's address (see below).
  - In your envelope, include both pages of the personalized reference letter and a folded self addressed stamped envelope (SASE) addressed to the Scoutmaster. On the back of the SASE, write your name and "KEEP SEALED – DO NOT OPEN".

  - The District BOR will require at least five reference letters.

10. Susan Cunningham, from the Scout Office, will send the Verified Eagle Scout Rank Application (VESRA) PDF document back to the Eagle candidate and to Dennis Walker. There may be errors to clarify or additional information to provide. Continue to the next step if no errors are found on page 3 of the VESRA form.
11. Print the VESRA form and neatly record the six reference letter names, addresses and phone numbers. On page 2 of the VESRA form, the Eagle candidate should sign and print their telephone number and today's date.
12. Contact Dennis Walker (319-393-4940) to see if at least 5 reference letters have been received. If at least 5 reference letters have been received, then Dennis will coordinate a practice Troop 766 BOR. At the Troop BOR, obtain signatures from Dennis Walker (Scoutmaster) and Janice Coleman (Committee Chair) on page 2 of the VESRA form.
